1:00—Visitation Team

The recent tragic shooting of Officer Gary Michael was a painful reminder to all of us about the importance of our law enforcement personnel and first responders. They serve selflessly to keep our community safe and secure.

To show our appreciation for these important people and their vital service to our community, we are planning a Prayer-a-Van to support those in law enforcement and those who serve as first responders. On Sunday, September 10, we will gather at Clinton City Hall at 6 pm and travel around the community in a caravan of prayer to lift them in prayer and express our support for them.

Rainbow Network Report

This past spring, Don Turner and Kent Cable were part of a Go & See Trip to Nicaragua with Rainbow Network. This trip provided them with the opportunity to see firsthand the wonderful work that Rainbow Network is doing in Nicaragua, particularly in the area of medical care. Everyone is invited to come and hear them share about their trip during the Sunday School hour on Sunday, September 10, in the Fellowship Hall in the basement.

Wednesday is the Day!

UMYF on Wednesdays started yesterday! The Middle School youth had 35 kids and the High School had 12.

Also, Jennifer and her helpers will be doing **5th Quarter** after every home football game (except Homecoming). High School youth are invited for pizza and pop after the games. The first one is after the game this Friday August 25th. It's going to be a great year for our youth!

Encourage them to join in and bring some friends!

New Landscaping!

Have you noticed the new landscaping work around the church? The Board of Trustees under the leadership of Dave Garnett, Chairman, decided that it was time for some renovation and replacement of the landscape that had been there a long time.

With the assistance of Eric Finks, his employees of Golden Valley Lawn Service, several volunteers and trustees, they teamed together to do some time-consuming work to update and freshen up the church's outward appearance.

Funding for this work comes from the Trustees Fund, which has been generously funded through the years by memorial gifts specifically designated for the upkeep of our church building and grounds. Our Board of Trustees meets monthly to identify what needs our facility may have and create an ongoing maintenance plan for our church.

Our thanks and appreciation to the Trustees for their efforts on behalf of the church. Also, thank you to Eric Finks and his employees for taking care of our lawn for over ten years at no expense to the church. Through the mowing, fertilization and general care they provide, the large trees and beautiful lush grass look like an inviting park for our visitors and members.

Thanks to all who attended the Ice Cream Social to Support Cancer!

Folks who enjoyed the wonderful treats that night gave over \$2400 to fight cancer! Let's pray that some day this fight will end!

Please Take Our Survey

It's not too late to turn in your Churchwide Survey from the Study Committee. Your input is important as they explore ways to improve and expand the ministries of our church. You can turn the surveys in at the church office or in the offering on Sunday. We encourage everyone to complete the survey and let your voice be heard.

It's Time for Bells

Come September 4th at 5:15 for Learner's Bells. This is for anyone who wants to review, experiment, or learn to play bells and chimes.

Reading music is not mandatory because you can color code the two bells you play.

Chancel Bells will also meet on September 4th at 6:00. We are always looking for more substitutes and new players to share bells.

Using your musical talent as a service to our church is very rewarding for all.
