

Tower Views

A church is not a building. A church is not programs. A church is people – people connecting with one another and together connecting with God. We are blessed with a wonderful church family.

So I want to encourage everyone in our church family to be part of our new church pictorial directory. We need each and every family to have your picture taken to make our directory complete. Pictures will be taken in April; the sign ups will begin this Sunday. Every family or individual who has their picture taken will receive both a free 8x10 portrait and a free directory.

Please make it a priority to have your picture taken. There is nothing more frustrating for me as a pastor than picking up a directory to put a face with a name and discovering they didn't get their picture taken.

Your participation is the key to a successful directory!

ECE Enrollment Open!

We are now taking applications for the Early Childhood Enrichment for the 2016-2017 school year. We are looking forward to a great year with our E.C.E. program. Our desire is to help children discover the joy of sharing, of getting along with others, and of being a child of God. Teachers are Anna Zink and Allison Schilling. Applications are available in the church office or on the church Facebook page.

Oops!

Did you see the lovely vase of roses and purple flowers on the altar last Sunday? Maxine Evans and family supplied those in memory of her husband Bobbie and the acknowledgment for them was inadvertently left out of the bulletin. Sorry Maxine and thanks so much for sharing them with us!
