## Building Project Survey

Last week, some of you received an email concerning a Feasibility Study that Horizons Stewardship is conducting for our church. The findings will help guide our church in making decisions about our next steps as we consider a campaign for the purpose of addressing the Building Committee proposal.

If you have already completed the survey, thank you! We appreciate the input you provided. If you have not completed it, we encourage your participation. You can find the link to the survey in the email you received from the church last week. The deadline for Horizons to receive the survey is this **Friday, January. 11 at noon.** Be assured that your responses are confidential and will not be seen by me or our church leadership. Thank you for your ongoing support of Clinton UMC.
