UNITED METHODIST CHURCH

**Brad’s Message**

I hope your new year is off to a wonderful start. I look forward to beginning the new year with a message series titled: *Stethoscope – Checking Our Spiritual Heartbeat*. This will be an opportunity for us to remember those key signs that our heart is strong.

Also Sunday at 9:30am, the Building Committee will hold their fourth and final Town Hall Meeting to present their proposal for a building renovation and expansion. They have been working hard and are anxious to share the proposal and gain your feedback. If you’ve not made it to one of the previous sessions, I hope you will be able to come and see what they are proposing.

Please keep the church in your prayers as we begin the new year – our people, our ministries and our plans for the future. I know God has exciting things ahead for our church!

## Building Project Survey

Our Building Committee has held several Town Hall meetings - with one more scheduled for this Sunday, January 6 - to share information with the congregation about their proposal for a building renovation and expansion.

To help us make this vision a reality, we will need to conduct a capital funds campaign. We have engaged Horizons Stewardship to lead us through this process.

One of the first steps in the process is a survey prepared by Horizons regarding our church. This survey is going out to a cross-section of the congregation. If you do not receive a survey but would like to participate, please contact the church office to receive a copy from Horizons.

## Bus Drivers Needed!

Please let the office know if you could drive the church bus some Sundays mornings.
