**Brad's Message**

As Dave Garnett has shared, the Building Committee has selected Butler Rosenbury Architects to work with us to put together options for a potential building renovation and/or expansion.

In preparation for that work, the Building Committee is hosting a series of **Ministry Area Gatherings** to hear your input and ideas about the **Facility Needs of Our Ministries**. This is also a setting for each ministry area to **Identify Our Priorities** for the church building. Those gatherings began last week and will continue next week.

The ministry areas included are Children, Youth, Adult Sunday School & Groups, Fellowship & Kitchen, Music & Worship and General Building. There will be two gatherings for each ministry area.

The Building Committee values your input and encourages you to be part of as many of these sessions as you would like. Please plan to be part of these important sessions.
