Your generosity continues to amaze me! In the past month you have given \$2,490 for our United Methodist Committee on Relief's response to Hurricane Florence in the Carolinas. You have also given \$9,095 for us to sponsor the village of El Cabona in Nicaragua through Rainbow Network. (Together, with the \$12,000 from our PMF Outreach Funds, this gives us a total of \$21,095 for El Cabona.) And, along the way, you have continued to support the daily ministries of our church.

Thank you for being such a giving church. Thank you for understanding that we are blessed, so that we can be a blessing to others. As the scriptures teach us, the church is not here simply to take care of one another; the church is also here to spread God's love and hope.

Jesus said, "It's more blessed to give than to receive." You are living that out. Your incredible generosity touches hearts and changes lives every day! Again, thank you!
