Unfortunately, the natural disasters keep coming. This past week brought news of the devastating earthquake in Mexico and Hurricane Maria's destruction in Puerto Rico and the Caribbean.

Thank you for your generosity for the victims of Hurricanes Harvey and Irma. You've already given over \$9,300. Your response was incredible!

But as the disasters continue, so do the needs, and so does the response by UMCOR – our United Methodist Committee on Relief. So we will be receiving yet another special offering for disaster response. You may make one gift and it will be divided between the earthquake and the latest hurricane, or you can label your gift to go specifically to one of the projects.

I know this church has a giving heart. So thank you in advance for your wonderful generosity. And please keep everyone impacted by all the disasters in your prayers.
