Imagine No Malaria

first step

lame and lost
begging by the beautiful gate
waiting for something for nothing
not feeling the need of heavenly help
no faith nor hope nor joy
then two strangers
speaking of Jesus
dealt a miracle to the man
and he was no longer lame
nor no longer lost,
not just because of the miracle
but also because
he believed enough
to take that first step.

Imagine No Malaria is an extraordinary effort of the people of the United Methodist Church, putting our faith into action to end preventable deaths by malaria in Africa, especially the death of a child or mother.

Our church has set a goal to raise \$10,000 to assist in this effort. To kick off this campaign, the Angelus choir has been collecting coins to place in their organ pipe. We will also be having a Lord's Acre sale in conjunction with the city-wide garage sale on April 11 and 12. As part of this, the choir will also be having a bake sale. If you have items you would like to donate, you can bring them to the church and place them in the racket ball room. Or if you have items but can't get them to the church just call the church office, and they will see that they get picked up. What a great way to regift some of those things you've been wanting to find a home for.
