Ministry Staff: Everyone

There will be something new inside your bulletin this Sunday. We're calling it our Connection Card. It is designed to help keep us connected in fellowship and service.

We will be using the Connection Card in several ways. It will be a way for us to keep connected with one another in the congregation and recognize if people are out of church over a period of time with health concerns or personal issues. It will also be a way for you to volunteer for different ministries or let us know about prayer requests. In addition, it will be a way for guests to let us know they worshiped with us and request more information about our church.

Keeping connected is essential if our church is truly to be the Body of Christ. So please fill out the Connection Card and place it in the offering each Sunday!

Thanks!
Brad

We want to stay connected to all of our church families and are asking for your help.

We would also like to send you a weekly newsletter either by mail or email. Please contact the church office with that information.

You Asked for It

You Asked for It will be our theme beginning in September. In preparation for that theme, Brad invites everyone to help select the message topics and the music for that series. There will be a survey in the bulletin again this Sunday for you to identify message topics that would be most helpful for you and to share some of the worship songs that are your most meaningful to you. If you have already completed the survey, thank you!
