loose is lost

that guitar string  
lying loose and free  
on the front room floor  
makes no music.  
properly attached  
to the guitar it gains  
a great gift.  
now its vibrations  
bring forth notes  
which might make music.  
a loose soul  
may be free  
but it cannot sing.  
attachment to god  
gives the soul  
its song.

It will include worship schedules, general church information, a guide to our upcoming concert series, and a schedule of our community classes. We encourage you to read through the opportunities available to you. Mark the dates on your calendar, and sign up for the community classes that interest you. Hold on to your little booklet throughout the year and refer to it as needed.

Rumpelstiltskin

This year's Missoula Children's Theatre production of "Rumpelstiltskin" was a rousing success with 57 local students in the cast. The week was filled with practicing lines and learning songs. Our audiences were fantastic and responsive. Thanks to our church members and staff for supporting this program for 16 years. Yes, this was show 16! You provide a valuable experience for our students. Please know that you are making a difference in the lives of young people in our church and our community. I am pleased that the Clinton Arts Council continues to join us in this endeavor. This year we welcomed Janet Parks as our rehearsal assistant. Janet added a special spark of enthusiasm to keeping the week's activities running. I appreciate her eagerness to be a part of this program. Heather Winter did a magnificent job accompanying the performances. The music and her interpretation of it made this one of the best musical shows we have seen. A list of thanks could be endless, but please know this program has touched many lives in a positive and creative way! Stop by my office and take a look at the wall filled with Missoula Children's Theatre posters!
